In-place rents are the average lease rent of occupied units per the rent roll dated August 31, 2026. Market rents are the broker's estimate for an unrenovated unit, supported by the rent survey on page 5.

Value-Add Opportunity

The seller renovated 36 units between 2024 and 2026 with quartz counters, wood-style plank flooring, stainless appliances, two-inch blinds, upgraded lighting and hardware. Renovated units are achieving an average premium of \$145 per month over classic units, and renovated units leased in an average of 11 days.

A buyer may continue the program across the remaining 252 classic units. The seller's interior scope is available in the data room; buyers should obtain their own contractor pricing.

Exterior and common area

The clubhouse, fitness center and pool were refreshed in 2023. Roofs are original (2016) and in serviceable condition per the seller; a property condition report is available in the data room. Buyers should budget their own exterior and deferred maintenance program.
